No. 198002

Genesee Juvenile Court

LC No. 94-099182 NA

Before: Holbrook, Jr., P.J., and Gribbs and R.J. Danhof,\* JJ.

MEMORANDUM.

Respondent Phyllis Wright appeals as of right from the juvenile court order terminating her parental rights to the minor children under MCL 712A.19b(3)(c)(i), (g) and (j); MSA 27.3178(598.19b)(3)(c)(i), (g) and (j). We affirm.

Petitioner presented clear and convincing evidence that the conditions that led to adjudication continued to exist, i.e., respondent's long-term substance abuse problem, together with an inability to provide adequate housing or maintain stable employment. Considering that the children had been in foster care for two years, that respondent needed six months or more of substance abuse treatment, and that respondent failed to obtain or maintain a home or a job, these conditions were not reasonably likely to be rectified, nor was it reasonably likely that respondent would be able to provide proper care and custody, within a reasonable time considering the ages of the children. Therefore, the juvenile court did not clearly err in terminating respondent's parental rights under §§ 19b(3)(c)(i) and (g). MCR 5.974(I); *In re Hall-Smith*, 222 Mich App 470, 472; 564 NW2d 156 (1997).
