JUAN MARTINEZ, III,
Defendant-Appellant.

By order of February 4, 2020, the prosecuting attorney was directed to answer the application for leave to appeal the June 18, 2019 judgment of the Court of Appeals. On order of the Court, the answer having been received, the application for leave to appeal is again considered. We direct the Clerk to schedule oral argument on the application. MCR 7.305(H)(1). The appellant shall file a supplemental brief within 42 days of the date of this order addressing: (1) whether the trial court erred by granting the prosecution's motion in limine to bar the defendant from presenting evidence of an alleged prior threat by the complainant to report an assault; and (2) if so, whether the error was prejudicial. In addition to the brief, the appellant shall electronically file an appendix conforming to MCR 7.312(D)(2). In the brief, citations to the record must provide the appendix page numbers as required by MCR 7.312(B)(1). The appellee shall file a supplemental brief within 21 days of being served with the appellant's brief. The appellee shall also electronically file an appendix, or in the alternative, stipulate to the use of the appendix filed by the appellant. A reply, if any, must be filed by the appellant within 14 days of being served with the appellee's brief. The parties should not submit mere restatements of their application papers.

The Criminal Defense Attorneys of Michigan and the Prosecuting Attorneys Association of Michigan are invited to file briefs amicus curiae. Other persons or groups interested in the determination of the issues presented in this case may move the Court for permission to file briefs amicus curiae.
