On order of the Court, the motion to supplement the application for leave to appeal is GRANTED in part and the transcript excerpts attached to the motion are accepted for filing. To the extent that the motion requests an abeyance and remand, it is DENIED. The application for leave to appeal the June 22, 2017 judgment of the Court of Appeals is considered, and it is DENIED, because we are not persuaded that the question presented should be reviewed by this Court.
