On order of the Court, the application for leave to appeal the November 29, 2018 judgment of the Court of Appeals is considered. We direct the Clerk to schedule oral argument on the application. MCR 7.305(H)(1).

The appellant shall file a supplemental brief within 42 days of the date of this order addressing whether the operation of the ambulance in this case by the appellee's employee constitutes an "act[] . . . in the treatment of a patient" within the meaning of MCL 333.20965(1). In addition to the brief, the appellant shall electronically file an appendix conforming to MCR 7.312(D)(2). In the brief, citations to the record must provide the appendix page numbers as required by MCR 7.312(B)(1). The appellee shall file a supplemental brief within 21 days of being served with the appellant's brief. The appellee shall also electronically file an appendix, or in the alternative, stipulate to the use of the appendix filed by the appellant. A reply, if any, must be filed by the appellant within 14 days of being served with the appellee's brief. The parties should not submit mere restatements of their application papers.

The Michigan Association for Justice, Michigan Defense Trial Counsel, Inc., and the Negligence Law Section of the State Bar of Michigan are invited to file briefs amicus curiae. Other persons or groups interested in the determination of the issue presented in this case may move the Court for permission to file briefs amicus curiae.
