MICHIGAN NATIONAL BANK,
Defendant-Appellee.

On order of the Court, the motion to file brief amicus curiae is GRANTED. The application for leave to appeal the November 3, 2005 judgment of the Court of Appeals is considered. We direct the Clerk to schedule oral argument on whether to grant the application or take other preemptory action. MCR 7.302(G)(1). The parties shall limit the issues to be addressed at oral argument to whether a landowner is required, under MCL 213.55(3), to provide written notice to the condemning authority of the landowner's claim of compensation for the "possibility of rezoning" of the condemned property. The parties and amicus curiae may file supplemental briefs within 42 days of the date of this order, but they should avoid submitting a mere restatement of the arguments made in their application papers.
