

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re Chester Patterson**

Docket No. **307456**

L.C. No. **71-014614-FY**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

Plaintiff's request for clarification is treated as a motion for clarification and is GRANTED. With his prisoner account statement, plaintiff provided an affidavit in which he requested a suspension of filing fees and costs. This was properly treated as a motion to waive fees. Further, by paying the \$85 initial partial filing fee and refiling his pleadings in accordance with this Court's January 12, 2012 order, plaintiff manifested his acceptance of the requirements of that order, particularly deductions from his prisoner account to pay the \$290 remainder of the \$375 entry fee.

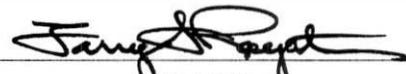

The motion to pay filing fees in \$25.00 a month installments is DENIED. Pursuant to MCL 600.2963(5) and as provided for in the January 12, 2012 order, plaintiff is required to pay the \$290 remainder of the entry fee through monthly deductions of 50 percent of the deposits to his prisoner account.
