The Court orders that the motion to adjourn is GRANTED. The Clerk's office is directed to place the matter on the next available case call.

The Court's Internal Operation Procedure (IOP 7.213(B)) states that it is advisable to inform the Court of any scheduling conflicts a party or attorney may have immediately after counsel receives notification from the Court that the case will be placed on the next available case call session to avoid the necessity of these types of adjournments from case call.
