**People Of MI v Tyronza Ray Bush**

Docket No. 311543

LC No. 11-019839-FH

---

Amy Ronayne Krause, Judge, acting under MCR 7.211(E)(2), orders:

The motion to compel appointed counsel to provide defendant-appellant with a copy of the transcript and the specified documents from the lower court file, free of charge, is DENIED. Defendant-Appellant has been provided a copy of the transcripts and requested documents from the lower court record, free of charge, in accordance with MCR 6.433. That copy has been forwarded to defendant-appellant's appointed counsel for purposes of pursuing this appeal and other post-judgment relief on behalf of defendant-appellant. There is no authority for requiring appointed counsel to provide defendant-appellant with an additional copy of the transcript and lower court documents so that defendant-appellant may simultaneously review the record while counsel actively pursues an appeal and other post-judgment relief on defendant-appellant's behalf.
