

Court of Appeals, State of Michigan

ORDER

Eric W. Koopmans v RK Jewelers, LLC

Docket No. **324374**

LC No. **14-003643-CZ**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED IN PART** for lack of jurisdiction. The claim of appeal from the July 21, 2014 order is **DISMISSED** for lack of jurisdiction because the claim of appeal was not timely filed within 21 days after entry of the order, and the trial court did not timely allow further time to file a motion for reconsideration. Under MCR 7.204(A)(1)(b), a motion for rehearing or reconsideration filed within the initial 21-day appeal period or within further time the trial court has allowed for good cause during that 21-day period extends the time for filing a claim of appeal. In this case, the trial court allowed further time to file a motion for reconsideration, but it did not do so within the 21-day appeal period. Therefore, it does not extend the time for filing a claim of appeal. At this time, appellant may seek to appeal the July 21, 2014 order only by filing a delayed application for leave to appeal under MCR 7.205(G).

The appeal is limited to the September 15, 2014 order granting attorney fees and costs. See MCR 7.203(A)(1).
