The Court orders that the motions to remand pursuant to MCR 7.211(C)(1) are DENIED. Defendant-appellant's first motion is DENIED when it involves issues that exceed the scope of the Supreme Court's order remanding this matter as on leave granted. Defendant-appellant's second motion is DENIED when he has not properly shown that further factual development of the record or an initial ruling by the trial court is necessary at this time in order for this Court to review the issue on appeal.
