Judges

The Court orders that the motion to dismiss is DENIED.

The Court further orders that the motion to compel appellant to order the complete transcript is GRANTED. Within 21 days of this order, appellant shall file a stenographer's certificate for the "complete transcript" as required under MCR 7.210(B)(1)(a). The stenographer's certificate must reflect that the "complete transcript" of the proceedings taken in this case on October 8, 2012, October 9, 2012, April 29, 2013, April 30, 2013, May 1, 2013, and September 11, 2013 has been ordered by appellant and will be transcribed by the court reporter, not that merely a portion of any or all of these six hearing dates has been ordered and/or will be transcribed. The Clerk is directed to submit this appeal on the involuntary dismissal docket without further notice to the parties if appellant fails to comply with this order. Motions to extend time to file the stenographer's certificate required under this order are strongly discouraged.

The time for filing appellees' brief shall run from the filing of a notice of filing transcript that indicates that the "complete transcript" of these six hearing dates has been filed. MCR 7.212(A)(2)(a)(ii).

The Clerk's Office is directed to forward a copy of this order to Court Reporter Sandy Traskos.
