RE: *Barton-Spencer v Farm Bureau Life Ins of Michigan*, Court of Appeals Docket
Nos. 325153, 324661

Dear Ms. Zarzecki:

On April 2, 2015, Farm Bureau Life Insurance of Michigan filed a motion to dismiss plaintiff-appellant's appeal on the basis that plaintiff-appellant had not provided the trial transcripts. In lieu of dismissal, Farm Bureau requested that copies of the trial transcripts be provided. On April 16, 2015, plaintiff-appellant emailed copies of the trial transcripts to Farm Bureau's counsel. Having now received the trial transcripts, Farm Bureau now requests that its motion to dismiss be withdrawn.

Sincerely,

Willingham & Côté, P.C.
