People of MI v Joshua Quincy Burns

Docket No. 327179

LC No. 14-022070-FH

Judges

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. We note that this is without prejudice to the ability of the case call panel to review whether the trial court erred by denying defendant's request for an evidentiary hearing on his claims of ineffective assistance of counsel.
