Judges

The Court orders that the motion for immediate consideration is GRANTED.

The Court orders that the motion to order the trial court to appoint an expert or permit an expert to testify is DENIED for failure to persuade the Court that the trial court's decision that expert testimony is unnecessary constitutes an abuse of discretion at this stage of the proceedings.

The motion to waive the transcript requirement of MCR 7.209 is DISMISSED as unnecessary. The transcript required under MCR 7.209(A)(3) applies only to a motion for bond or stay pending appeal.

Zahra, J. would GRANT the motion to appoint an expert.
