Judges

On May 7, 2007, this Court issued an order directing the Presiding Judge of the Criminal Division of the Wayne County Circuit Court, Judge Edward Ewell, Jr., to conduct an investigation as to whether there were any outstanding post-conviction motions that have not been ruled upon in the lower court case noted above, as alleged in Howard's complaint for superintending control filed with this Court. On May 30, 2007, this Court was provided with a copy of an opinion and order issued by Wayne County Circuit Court Judge Patricia Fresard in lower court 93-002433-05. Because it appears that Judge Fresard addressed the outstanding motions filed by Howard, the May 7, 2007, order is VACATED.

The Court further orders that the complaint for superintending control is DENIED.

The motion for summary judgment is DENIED.

The Court retains no further jurisdiction.
