

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Herbert Lee Washington**
Docket No. **275834**
L.C. No. **01-001556-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.201(B)(3), orders:

The motion for reconsideration is DENIED. Defendant does not even allege that he can satisfied either one of the two requirements set forth in the March 29, 2007 order even if the transcript was prepared. Furthermore, *People v James*, 272 Mich App 182 (2006) is of no assistance to defendant because in *James* that defendant timely requested counsel within 42 days. In this case defendant waited years to request counsel.
