

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Grand Rapids Education Support Personnel Association v Grand Rapids Public Schools**
Docket No. **276289**
L.C. No. **06-007821 CL**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the February 1, 2007 order is not a final order as defined by MCR 7.202(6)(a)(i). In light of the fact that the trial court neither confirmed an arbitration award nor dismissed the arbitration proceeding, the Court concludes that the order does not adjudicate “the rights and liabilities of all the parties.” This is especially true since this appeal could be rendered moot by what is decided at the second arbitration proceeding and the trial court specifically “retains jurisdiction” to allow for the possible review of the second arbitration proceeding. Any appeal must be by application for leave to appeal under MCR 7.205.
