

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Wendy Ann McIntire v Richard Lewis**

Docket No. **276807**

L.C. No. **06-025415-PD**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E), orders:

On the Court's own motion, this appeal has been considered for reinstatement due to failure of the Clerk's Office to timely process appellant's request for accommodations. The Court orders that the appeal is NOT REINSTATED.

The Court dismissed this appeal because it was not filed within 21 days of the February 12, 2007, order as required by MCR 7.204(A)(1)(a). The formatting of Clerk's Office correspondence could not impact the finding that the filing was 10 days late. However, the Clerk's Office is directed to REISSUE the dismissal order of March 21, 2007, in 20-point font to provide appellant with the opportunity to challenge that order as may be allowed by the court rules.

The parties are directed that all letters and pleadings filed with this Court and served on each other in this case are to be formatted in 20-point font. All filings with this

Court must be *received* by the applicable deadline.  
MCR 7.202(2).
