Docket No. **276893**  
L.C. No. **06-002994-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The motion to waive fees is GRANTED for this case only.

The application for leave to appeal and the motion for immediate consideration are DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). This Court provided notice regarding the nature of the defects with this filing, and appellant failed to cure the defects within the time allotted by this Court's March 21, 2007 defective filing letter by filing five copies of a current set of the circuit court's register of actions, five new caption pages with a case name of *People of MI v Kevin Martin Samphere* for the application for leave to appeal, the brief in support, the supplemental application instead of the current caption that is appropriate for an original action, five copies of a motion to file a supplemental application with a proof of service that a copy of the motion had been sent to the prosecutor, and five new motions for immediate consideration and to waive fees with the proper caption. Dismissal is without prejudice to whatever other relief may be available consistent with the court rules.
