

## IN THE MICHIGAN COURT OF APPEALS

### ORDER

Re: **Chip Main v Noble Engineering Co Inc**  
Docket No. **276774; 277345**  
L.C. No. **2006-001767-CK**

Pat M. Donofrio, Judge, acting under MCR 7.211(E)(2), orders:

Plaintiff appellant/appellee's motion for administrative closure of these appeals is **GRANTED IN PART** and **DENIED IN PART** as indicated below.

The appeal in docket number 276774 continues as it is not "a proceeding against the debtor," plaintiff-appellant having initiated the original proceedings and the appeal. 11 USC 362(a)(1).

The appeal in docket number 277345 is **CLOSED**, plaintiff-appellee's pending bankruptcy proceeding having deprived this Court of the authority to continue its review of defendant-appellant's claim for attorney fees and costs. 11 USC 362. Closure is ordered without prejudice to the case being reopened upon written notification to this Court that the bankruptcy stay has been lifted, the bankruptcy proceedings have been dismissed, or a party to the case has obtained relief from the stay. If the case is reopened, it should proceed as mandated by the court rules.

It is further ordered that these appeals are **DISCONSOLIDATED**.
