ORDER

Re: **People of MI v Deon Lamont Floyd**
Docket No. **277566**
L.C. No. **05-011561-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The delayed application for leave to appeal and motion to remand filed on April 23, 2007, are DISMISSED for lack of jurisdiction because they were not filed within 12 months of the March 22, 2006 judgment of sentence as required by MCR 7.205(F)(3) and neither exception found in MCR 7.205(F)(4) was satisfied. In particular, the second exception was not filed because the application was not filed within 42 days of the filing of the last transcript. According to the register of actions the last transcript was filed on March 6, 2007, and the application was not filed until April 23, 2007, 48 days later.
