

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Anthony Wilson v Genesee County**  
Docket No. **278377**  
L.C. No.

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The motion to waive fees is GRANTED for this appeal only. However, appellant needs to understand that he is coming close to being determined as a frivolous filer and that filing fees may be required for future appeals on that basis.

The claim of appeal is DISMISSED for lack of jurisdiction because a circuit court order denying a motion to waive fees is not a final order under MCR 7.202(6)(a)(i). The circuit court order does not dismiss the case, nor does it adjudicate the rights and liabilities of the plaintiff and defendant.
