ORDER

People of MI v Roderick Duane Cross

Docket No. 279066

LC No. 06-008182-FH

The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. The register of actions shows that defendant was convicted April 26, 2007. On May 1, 2007, defendant filed a motion for directed verdict of acquittal. However, the register of actions failed to show any disposition of that motion. On July 9, 2007, a letter was sent to the trial court inquiring about the status of the motion. The trial court in a letter dated July 10, 2007, acknowledged the existence of the motion but indicated no disposition had occurred because it was never properly noticed. Because of the failure of the trial court to take any action on the motion, like dismissing it for failure to be noticed, the motion is still pending.
