

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People v Bruce Allen Williams**  
Docket No. **279566**  
L.C. No. **87-006747**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The motion to waive fees is GRANTED for this case only.

Defendant's delayed application for leave to appeal is DISMISSED for lack of jurisdiction because it is an attempt to appeal the denial of a successive motion for relief from judgment in violation of MCR 6.501(G)(1). The alleged newly discovered evidence relied on by defendant does not fall within the exception to MCR 6.501(G)(1) provided by MCR 6.502(G)(2) for newly discovered evidence because its alleged discovery occurred prior to the filing of a prior motion for relief from judgment.
