

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Moon Roof Corporation v Autolign Manufacturing Group Inc**
Docket No. **279623**
L.C. No. **07-023603-CK**

Pat M. Donofrio, Judge, acting under MCR 7.211(F)(1), orders:

The claim of appeal, motion for immediate consideration, and motion for stay are **DISMISSED** for lack of jurisdiction because the order being appealed is not a final order appealable of right. The order could not be certified as a final order under MCR 2.604(B) as the underlying case is not a receivership action, as is required under that rule. The fact that one of the parties may be in receivership does not render the case a receivership action for purposes of the court rule.
