

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re Dean R Argo DDS**
Docket No. **280111**
L.C. No. **2906-101951**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal and the motions filed August 22, 2007, are DISMISSED for lack of jurisdiction because the August 1, 2007 order was not a final order at the time that the claim was filed. If an appellant files a motion for reconsideration within 21 days of the entry of a final order, the finality of the order is suspended until that motion that decided. An appeal as of right may then be claimed from the final order within 21 days after entry of the order deciding the motion. See MCR 7.204(A)(1)(b). A claim of appeal that is filed before the entry of the denial order is a premature claim. See also MCR 7.208(A).
