---

The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. A review of the motion for the issuance of a claim of appeal shows that there was no allegation that defendant was incapable, through the lack of education, a learning disability, or the inability to understand English, to complete the form correctly. As such, ineffective assistance of counsel is not involved and appellant has not cited any legal authority to the contrary.
