

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **James Richard Arnold v Dennis R Kemp**  
Docket No. **282344**  
L.C. No. **96-001144-CH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because that part of the order being appealed is a postjudgment order that does not constitute a final order under MCR 7.202(6)(a)(i). This Court remanded this case for the limited purpose of determining costs. Since appellants have agreed to the amount of costs, which would constitute a consent judgment that cannot be appealed, any additional part of the order is a postjudgment determination that can be appealed only by an application for leave to appeal under MCR 7.205. Also under MCR 7.203(A)(1) this appeal would be limited to only that part of the order that dealt with costs.
