Docket No. 280716

LC No. 05-037882-CK

Michael R. Smolenski
Presiding Judge

David H. Sawyer

Jane M. Beckering
Judges

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

The motion to strike the delayed application for leave to appeal is DENIED, though no consideration was given to documents submitted after the renewed motion for summary disposition was decided. *Good v Modern Globe Inc*, 346 Mich 602, 612; 78 NW2d 199 (1956). Furthermore, plaintiffs' so-called revised settled statement of facts was not considered because it was not certified as required under MCR 7.210(B)(2)(c).

The motion to file a late answer is GRANTED and the answer filed with the motion is accepted.

Beckering, J. would grant the delayed application for leave to appeal.
