The Court orders that the motion to dismiss pursuant to MCR 7.211(C)(2) is DENIED, there being no conclusive showing that plaintiff-appellant has not procured the full transcript as required by MCR 7.210(B)(1)(a). This does not preclude this Court from finding on formal submission that an appellate issue has been abandoned by plaintiff-appellant's failure to procure a transcript necessary for review. *Waterford Sand & Gravel Co v Oakland Disposal Inc*, 194 Mich App 571, 487 NW2d 511 (1992).
