ORDER

Re: **People of MI v John Thomas Thompson**
Docket No. **285235**
L.C. No. **87-008506**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The motion to waive fees is GRANTED for this case only.

The delayed application for leave to appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defect in this filing, and the defect was not corrected in a timely manner by providing this Court with a copy of the plea transcript. The time to file the transcript has long expired and a court reporter has provided nothing to suggest that the transcript is in the process of being prepared.
