

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **Mortgage Ltd v Angela D Harrison**

Docket No. **285391**

L.C. No. **08-105225-AV**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The motion to waive fees is GRANTED for this case only.

The claim of appeal from the May 9, 2008 order of the Wayne Circuit Court is DISMISSED for lack of jurisdiction. When a court rule or law requires a party to appeal an order of a district court or a tribunal to the circuit court before filing an appeal with this Court, the party's subsequent appeal to this Court must be by leave to appeal rather than by right. MCR 7.101(A)(1), MCR 7.203(A)(1)(a), and MCR 7.203(B)(2). This Court must therefore dismiss appellant's claim of appeal because he seeks to challenge a circuit court that resolved an appeal from a district court. MCR 7.203(A)(1)(a).

The emergency motion for injunctive relief is DENIED because the above decision has rendered it moot. MCR 7.216(A)(7).
