

IN THE MICHIGAN COURT OF APPEALS**ORDER**

Re: In re Albert Papazian
Docket No. **285784**
L.C. No. **2006-302222-CA**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The application for leave to appeal the May 16, 2008 order denying appellant's motion to disqualify the probate court judge is **DISMISSED** for lack of jurisdiction. Interlocutory orders of the probate court are appealable by leave to the circuit court, MCR 5.801(D), unless the probate court certifies the order for direct appeal to this Court pursuant to MCR 5.801(F). There being no indication that the probate court has certified the order appealed pursuant to MCR 5.801(F), this Court is without jurisdiction to entertain the appeal.

The motions for immediate consideration, stay pending appeal and to waive the requirements of MCR 7.209(A)(3) are likewise **DISMISSED**.
