The Court orders that the June 11, 2008 order of the Grand Traverse Circuit Court Family Division denying the petition for waiver of parental consent for an abortion is REVERSED and the petition for waiver of parental consent is GRANTED. Upon review of the entire record, the Court is persuaded that petitioner met her burden of establishing that she is sufficiently mature and well enough informed to make the decision regarding an abortion independently of her parents, and that granting the waiver would be in her best interests. This order shall serve as the order granting waiver of parental consent required by the Parental Rights Restoration Act, MCL 722.901 *et seq* and shall remain valid for 90 days from the date of the Clerk's certification of this order. MCR 3.615(K)(1). The Clerk shall provide petitioner or petitioner's attorney with two certified copies of this order. Nothing in this order shall require or permit an abortion that is otherwise prohibited by law.

Meter, J., would affirm the trial court.
