

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v William Otis Miller**
Docket No. **286187**
L.C. No. **94-026120 FH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The delayed application for leave to appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with 5 copies of a conforming application for leave to appeal, proof of service for that conforming application, a copy of the prisoner account statement for the last 12 months, 5 copies of a current register of actions, 3 more copies of the order being appealed, and 1 copy of those parts of the trial transcript that support the issues raised.
