The Court orders that the motion for production of register of actions and transcripts for preparation of [an] appeal by right is GRANTED IN PART and DENIED IN PART.

The Oakland Circuit Court, Family Division shall immediately authorize the court reporter to accept appellant's request for the transcripts required by MCR 7.210(B)(1). MCL 710.67(1). Appellant must then arrange payment for the transcripts. See MCR 7.210

The request that this Court compel the family court to produce a copy of its register of actions is DENIED AS MOOT because the family court filed a copy of this document with this Court.
