---

This Court previously issued an order holding the application for leave to appeal and the motion for preemptory reversal in abeyance and a subsequent order entering a stay of the proceedings. The trial court appointed appellate counsel to file an answer to the application, who failed to file an answer within 21 days from the service of the application and, as a result, filed a motion to file a late answer.

The Court now orders that the application for leave to appeal is GRANTED, limited to the issues raised in the application. MCR 7.205(D)(4). The time for taking further steps in this appeal runs from the date of the Clerk's certification of this order. MCR 7.205(D)(3).

The motion for preemptory reversal is DENIED.

The motion to file a late answer is GRANTED.
