

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Edward Coleman v Wayne County Sheriff**
Docket No. **287536**
L.C. No. **08-111653-CZ**

Brian K. Zahra, Judge, acting under MCR 7.211(E)(2), orders:

The appellant's October 9, 2008 filing, titled "Request Order for the Revaluation, Revamp Entering Exigency Hearing" is STRICKEN for failure to conform to the requirements of MCR 7.211(A)(2) & (5) and MCR 7.215(I)(1). The filing was treated by the Clerk's Office as a motion for reconsideration of the Court's October 6, 2008 dismissal of appellant's application for leave to file a delayed appeal, and was defective in that regard because no entry fee, proof of service or copy of the Court's October 6, 2008 order was provided. In a letter dated October 15, 2008, appellant was apprised of the Court's treatment of the filing and given 14 days in which to cure the defects. Appellant has not cured the defects and has informed the Court that he did not wish to pursue treating the filing as a motion for reconsideration. Because appellant has not cured the defects to allow the filing to proceed as a motion for reconsideration, and there is no provision in the court rules to allow the filing to otherwise proceed, appellant's October 9, 2008 filing is STRICKEN.
