## ORDER

People of MI v Larry M Silsby

Docket No. 299828

LC No. 1979-040760-FH

Pat M. Donofrio  
Presiding Judge

E. Thomas Fitzgerald  
Judges

---

The Court orders that the delayed application for leave to appeal is DENIED for the reason that because defendant has served in full his sentence for conspiracy to commit second-degree murder, it is impossible for this Court to fashion a remedy and the issue is moot. See *People v Rutherford*, 208 Mich App 198, 204; 526 NW2d 620 (1994).
