**ORDER**

Paul H Scott v Director of Elections

Donald S. Owens  
Presiding Judge

Docket No. 306155

Peter D. O'Connell

LC No. 11-000982-AA

Michael J. Kelly  
Judges

---

The Court orders that the motion for immediate consideration is GRANTED.

The motion to file errata is GRANTED.

The application for leave to appeal is GRANTED. Plaintiff raises an issue of first impression concerning the proper interpretation of MCL 168.952(7) and the interplay between MCL 168.952(7) and 168.961(2)(d).

The circuit court's order denying plaintiff's motion for a temporary restraining order or preliminary injunction is REVERSED. The circuit court erred in determining that it was unlikely that plaintiff would prevail on the merits.

The plaintiff's motion for injunctive relief is remanded to the circuit court for expedited proceedings consistent with this order.

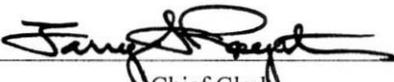

M. J. Kelly, J., would deny the application for leave to appeal.
