

Court of Appeals, State of Michigan

ORDER

Patricia Ann D'Itri v Farhat & Story PC

Docket No. 315869

LC No. 11-000779-CZ

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

Appellant's motion to amend her claim of appeal is DENIED. In this appeal of right from a final order as defined in MCR 7.202(6)(A)(i), appellant may raise issues related to all prior orders including the September 14, 2012, order granting partial summary disposition. See *Green v Ziegelman*, 282 Mich App 292; 767 NW2d 660 (2009). Amendment of the claim of appeal to include the September 14, 2012, order is, therefore, unnecessary. With regard to the May 31, 2013, order awarding taxable costs, that order is a separate final order as defined in MCR 7.202(6)(A)(iv), which was appealable by right. Appellant having failed to file a timely claim of appeal from the May 31, 2013, order, MCR 7.204(A)(1), may seek to appeal only by filing a delayed application for leave to appeal under MCR 7.205(F).
