**ORDER**

People of MI v Richard James King

Docket No. 316175

LC No. 2012-003225-FH

---

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for the failure to demonstrate that the issue must be initially addressed by the trial court or that further factual development of the record is required for appellate review. It appears that this Court can decide whether the police officer's testimony about the value of damaged property was properly admitted based on the existing record.
