

Court of Appeals, State of Michigan

ORDER

Ruthie Mae Jones v Larry Lee Jones

Docket No. **318985**

LC No. **99-001684-DM**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the order appealed from, a post-judgment order in a domestic relations action regarding the assignment of benefits, is not a final order as defined under MCR 7.202(6). A post-judgment order in a domestic relations action that affects child custody is defined as a final order under MCR 7.202(6)(a)(iii), but there is no such provision for a post-judgment order regarding the assignment of benefits. Therefore, appellant may seek to appeal the October 14, 2013 order only by filing a delayed application for leave to appeal under MCR 7.205(F).
