The Court orders that the second motion to hold the application in abeyance is DENIED.

On its own motion, the Court orders the delayed application for leave to appeal DISMISSED without prejudice to defendant's ability to bring the issues raised in a timely application or delayed application for leave to appeal an order of the circuit court on appeal from the district court. This Court's jurisdiction is over judgments entered by the circuit court on appeal from the district court. MCR 7.203(B)(2). The issues which defendant seeks to raise on appeal have not yet been decided by the district court, let alone on appeal to the circuit court.

The motion to remand is DENIED as moot.

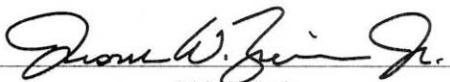

The Court retains no further jurisdiction.
