

Court of Appeals, State of Michigan

ORDER

People of MI v Ezekiel Zamarie Davis

Docket No. **318703**

LC No. **13-003611-01-FH**

Christopher M. Murray, Judge, acting under MCR 7.211(C)(7) and MCR 7.211(E)(2), orders:

The prosecutor's confession of error is accepted and defendant's conviction and sentence are REVERSED. The trial court erred in striking testimony and failing to instruct the jury based upon the former version of the exceptions to the crime under MCL 750.231a when the applicable amended version of the statute omitted the former statute's definitions of "lawful purpose." The matter is Reversed and Remanded for a new trial.
