

Court of Appeals, State of Michigan

ORDER

People of MI v John Brandon Harvey

Docket No. 323365

LC No. 2013-004488-FH

William B. Murphy, C.J.
Presiding Judge

David H. Sawyer

Mark T. Boonstra
Judges

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

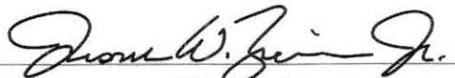

Boonstra, J., concurs, noting that the circuit court's written orders do not appear to proscribe internet use other than for "social networking" or "social media/networking," and would additionally remand for clarification of apparent inconsistencies, as reflected in the circuit court's orders and in its statements at related hearings, regarding the scope of any prohibition on defendant's use of personal internet access for purposes other than social networking.
