ORDER

People of MI v Robert John Lammi

Docket Nos. 321628; 321629

LC No. 13-007976-FH; 13-007977-FH

Peter D. O'Connell
Presiding Judge

Stephen L. Borrello
Judges

The Court orders that the motion for extension of time to file motion to remand is DENIED because defendant has not shown good cause or a lack of culpable negligence as to the extremely late filing of the motion to remand when defendant could have communicated his concern about trial counsel's failure to call an alleged alibi witness to appellate defense counsel before appellate counsel filed defendant's brief on appeal. See MCR 7.216(B).

Accordingly, the motion to remand is also DENIED.
