Judges

The Court orders that the delayed application for leave to appeal is DENIED because defendant has failed to meet the burden of establishing entitlement to relief under MCR 6.508(D). The defendant alleges grounds for relief that were decided against him previously and he has failed to establish that a retroactive change in the law undermines the prior decision. MCR 6.508(D)(2). The defendant has also failed to establish actual prejudice from the irregularities alleged. MCR 6.508(D)(3)(b).
