

Court of Appeals, State of Michigan

ORDER

Wayne Earl LaFountain v Department of Corrections

Docket No. **326084**

LC No. **13-012734-AH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.211(E)(2), orders:

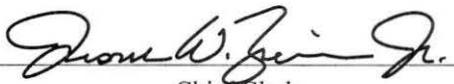

The motion filed on March 23, 2015 is recognized as a motion for reconsideration of this Court's March 6, 2015 order. The motion for reconsideration is DENIED. MCL 600.5505 does not include any language exempting a complaint for habeas corpus filed in this Court from MCL 600.2963. Further, the March 6, 2015 order does not preclude plaintiff from proceeding with this case. To the contrary, based on plaintiff's refiling of his returned pleadings, this case will proceed in this Court. Notably, in accordance with the March 6, 2015 order, the Department of Corrections has been notified to begin appropriate deductions from plaintiff's prisoner account until the \$375 entry fee is collected but when or if the entire \$375 fee is eventually collected is immaterial to this case proceeding in this Court.
