

**Court of Appeals, State of Michigan**

**ORDER**

**People of MI v Antonio E Hammons**

Docket No. **326179**

LC No. **98-002067-FC**

---

Michael J. Talbot, Chief Judge, acting under MCR 7.203(F)(1), orders:

The delayed application for leave to appeal the Wayne Circuit Court's November 25, 2014 order is DISMISSED for lack of jurisdiction. The trial court properly treated defendant's motion for correction of invalid prison sentence as a successive motion for relief from judgment. MCR 6.429(B)(4); MCR 6.502(G)(1). Defendant has not asserted a retroactive change in law or presented newly discovered evidence supporting his successive motion for relief from judgment as required by MCR 6.502(G)(2), and he may not appeal the denial of a successive motion for relief from judgment. MCR 6.502(G)(1).

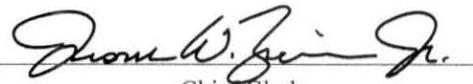

The motion to waive fees is GRANTED and fees are WAIVED for this case only.
